A NOTE OF GRATITUDE

I want to thank each and every member of the MARSP for the outstanding local unit of TRTA which you have built! I am so fortunate to have been given the opportunity to serve as your president for the last two years, to watch our unit grow, to share the warm fellowship of our meetings, to see new members brought in and made welcome, to see emerging leadership working side-by-side with experienced leaders. The officers with whom I was privileged to serve gave strong support to our unit, provided creative leadership, and served our membership well. I look forward to the new slate of officers and to the continuing growth and strength of our local unit. Thank you for a job well done!
Maridell
